REGIONAL DEVELOPMENT AGENCY OF ODESA REGION
Regional Development Agency of Odesa Region is a non-profit and non-budgetary institution which was created on the basis of partnership between the state, private and public sectors with the aim of effective implementation of state regional policy. We provide a wide range of services in the Odesa region.

MISSION:
Providing a solid foundation for sustainable socio-economic development of the united territorial community and the Odesa region as a whole. Creating practical conditions for European and Euro-Atlantic integration within the framework of the EU–Ukraine Association Agreement.

Agency's philosophy
We strive to make territorial communities capable. To make public services and services of high quality. The Agency helps communities develop initiatives that create added value, jobs and strengthen the region's economy. Our partnership with international and domestic business, scientists helps to develop new opportunities for local entrepreneurs, increase their competitiveness and promote investment attraction to the region.
Regional Development Agency:

**DEVELOPS**
Strategic documents for the development of territorial communities. Concepts, strategies and projects for business in order to attract investments.

**PREPARES**
Documentation for receiving grants. Primary analytical information necessary for investment decisions. Proposals for changes in legislation to promote business development, improve the investment climate in the region and the country as a whole.

**EXPLORE**
Sales market for exporting enterprises. Possibilities for attracting funds from international funds that provide material and technical assistance. Performs the initial selection of the Greenfield and/or Brownfield investment site, in accordance with the investor's request.

**ACCOMPANIES**
Implementation of the strategic development plan of territorial communities. Provides services of a personal investment manager. Develops and supports "Roadmaps" regarding permitting procedures of investment projects. Performs comprehensive service of the enterprise's export activities.

**ORGANIZES**
Execution of representative interests. Conducting events (educational/promotional). Communication with potential partners is competent in various fields.
